

## **ABSTRACT**

Practical work is an opportunity given to students in the form of activities in certain fields with a predetermined time frame according to the field being studied. Practical work is a place for students to express their ideas or ideas in the world of work. The role of radio as a mass media is getting bigger. The radio programs that are popping up today are so segmented.

RRI Surakarta is RRI PRO 1 is a national news radio station in the city of Surakarta broadcast on the frequency 105.5 FM. One of the things that RRI Surakarta did to make it easier for people to listen to it was not only accessible via radio, but also accessible via live streaming YouTube. RRI Surakarta usually invites resource persons who have inspiring works or stories.
