

ABSTRACT

In the field of visual communication design or DKV we don't just learn about design. But we learn how we learn good photography and videography. Vibesroom Studio is one of the places for those of us who want to learn about it. Vibesroom is located in Gang Mas Cilik No. 45, Brubahan, Purwanegara, Kab. Banyumas. Its expected that with the practical work carried out in Vibesroom Studio later the author will get experience while working later. It is also expected that Telkom Purwokerto Institute of Technology will establish a good relationship with Vibesroom Studio.

Keywords: visual communication design, photography, videography
