ABSTRACT

Certified Independent Study is one of the Independent Learning Campus programs organized by the Ministry of Education and Culture, Research and Technology to develop and prepare students to be ready for a career. The Frontend Vue Js program at Alterra Academy provides learning a complete package from technical skills, soft skills to languages carefully crafted by our industry experts, this journey will consist of a 6 month long distance program which will start from beginner to advanced level where students will be placed at Alterra Academy to gain work experience as a frontend engineer and get a mini project and a capstone project as a final project to implement knowledge.
