

Abstract

The Teaching Campus Program batch 3 lasts for 4 months, starting on March 1, 2022 – June 29, 2022. This program is attended by twenty thousand students from all over Indonesia. The Teaching Campus Team for SD Negeri 2 Redin consists of five members from various study programs and universities. The Teaching Campus of SD Negeri 2 Redin is accompanied by a Field Supervisor (DPL) and is guided by a civil servant teacher. In the success of the Campus Teaching agenda, the Campus Teaching team at SD Negeri 2 Redin focuses on three main programs, namely helping teach, assisting with technology adaptation, and assisting with administrative matters. The whole program has been implemented and received a good response from the big family of SD Negeri 2 Redin. The existence of the Teaching Campus has had a good impact on SD Negeri 2 Redin, especially in terms of introducing technology and teacher administration assistance. This final report contains all the activities of the Teaching Campus program at SD Negeri 2 Redin. With this, the authors hope that the Campus Teaching program will continue and can have a good impact on education in Indonesia.
