

## **Abstract**

The Certified Independent Study Program (SIB) is a form of Merdeka Belajar Kampus Merdeka (MBKM) issued by the Minister of Education and Culture of the Republic of Indonesia through the Minister of Education and Culture Number 3 of 2020 concerning National Education Standards. The learning taken is the development of Front-End Developer and Back-End Developer from Dicoding Academy. Learning is carried out asynchronously starting from reading the material, doing exercises to working on submissions which will be reviewed by reviewers from the Dicoding Academy to expert reviewers. In addition to hard skills, soft skills are also trained in this Independent Study program to hone student skills ranging from Self Branding, Problem Solving, Design Thinking, and Collaboration.
