

ABSTRACT

Satelit TV is a local television station having its address at Jalan Dr. Angka RT 004 RW 012 Bancarkembar, North Purwokerto, Banyumas Regency, Central Java. It is located east of the Java Heritage Hotel and west of the North Purwokerto Police Station. Satelit TV itself has received a license to operate in 2015, but only broadcast or on air in 2016. The author carries out practical work in a company engaged in Entertainment Media and Information Technology, namely Satelit TV as a designer and teleprompter. This practical work is expected to provide an overview of the real world of work and can train skills so that they can work well.

Keywords : designer, teleprompter
