## FOREWORD

Learning a foreign language is to start from listening. The same goes from your Indonesian learning. Listening to the native speakers of the language will make you familiar with how and idea expressed naturally.

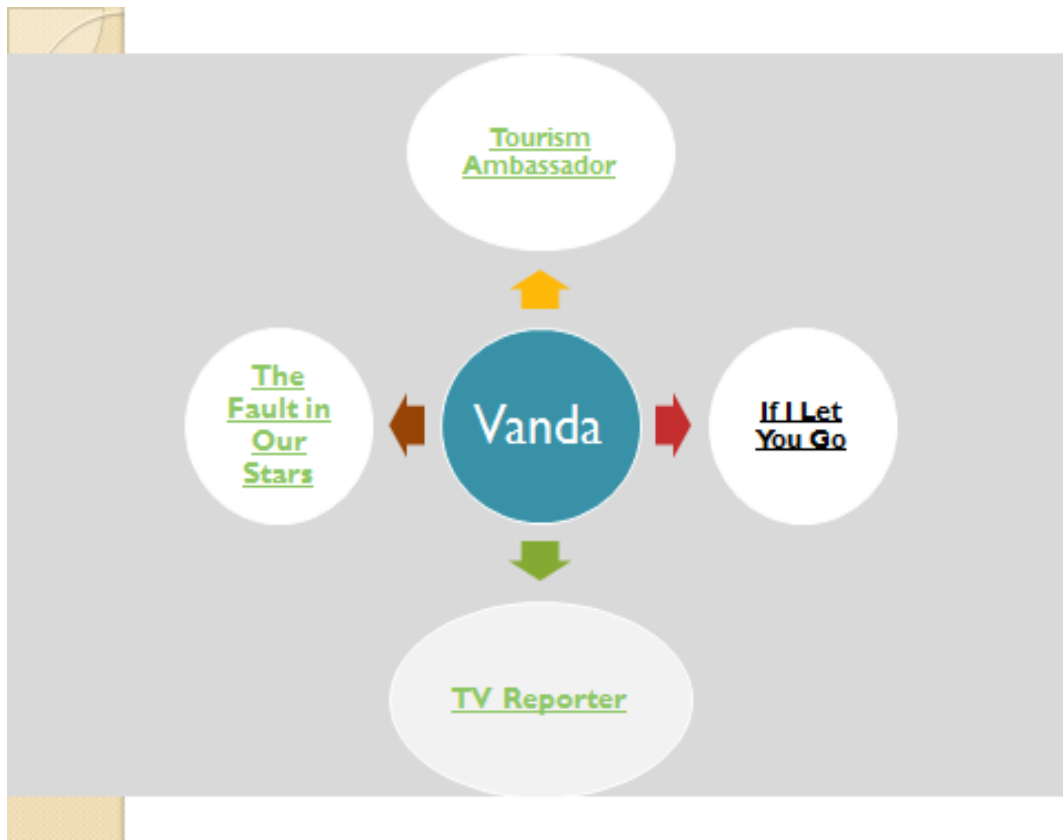

Speaking becomes your second practice right after you listen to common phrases. This may lead you to building up your verbal skills.

Most people start to learn a foreign language by studying its grammar rules. Listening and speaking practice comes later. This is not true. It's just like putting the cart before the horse.

English becomes so global and popular because of this language is the world's most widely spoken language. Many concepts of English learning have been introduced to the world. One of the new concepts in learning English is 'Learning by Traveling, Traveling by Learning' that you can find in 'Kampung Wisata Inggris Kebumen.' In this place, everybody can learn English in a different way of learning activities by practicing it directly. The learners will be taught by expert the English teachers and Kebumen Tourism Ambassadors in a unique way and amazing materials or resources to learn. You can interact with the beauty of village, the hospitality of villagers, and the adventurous time in making new friends and learning with a new atmosphere.

# HOW TO BECOME A MORE CONFIDENT ENGLISH SPEAKER?

**PRACTICE**  
 whenever you can. Whether you speak to someone who is a native English speaker or not.

**BUILD**  
 your confidence. Use simple English sentence structure that you know is correct.

**RELAX**  
 when you speak. You'll find your mouth do most of the pronunciation work for you.

**SPEAK SLOWLY**  
 If you speak too fast it will be difficult for people to understand you.

**IF YOU FORGET**  
 a word, say things that fill the conversation. This is better than keeping complete silent. Try using um, or er if you forget the word.

**EXPERIMENT**  
 with the English you know. Use words and phrases you know in new situations.

Remember, when speaking English:

**1**  
 Try to become less hesitant and more confident.

**2**  
 Don't be shy to speak. The more you do it, the more confident you'll become.

**3**  
 Remember to be polite. Use "please" and "thank you" if you ask someone to do something for you.

## "I'm Not The Only One"

By Sam Smith

You and me, we \_\_\_\_\_ a vow  
For better or for worse  
I can't believe you let me down  
But the proof's in the way it

\_\_\_\_\_

For \_\_\_\_\_ on end I've had  
my doubts  
Denying every \_\_\_\_\_  
I wish this would be over now  
But I know that I still need you  
here

*[Chorus:]*

You say I'm crazy  
'Cause you don't think I \_\_\_\_\_  
what you've done  
But when you call me baby  
I know I'm not the only one

You've been so unavailable  
Now sadly I know \_\_\_\_\_  
Your heart is unobtainable  
Even though Lord knows you  
kept mine

*[Chorus:]*  
You say I'm crazy

'Cause you don't think I know  
what you've done  
But when you call me baby  
I know I'm not the only one

I have loved you for many  
years

Maybe I am just not \_\_\_\_\_  
You've made me realize my  
deepest fear  
By lying and tearing us up

*[Chorus 2x:]*

You say I'm crazy  
'Cause you don't think I know  
what you've done  
But when you call me baby  
I know I'm not the only one

I know I'm not the only one  
I know I'm not the only one  
And I know...  
I know I'm not the only one
