Dear Mr/Mrs. Faisal Dharma Adhinata, Nur Ghaniaviyanto Ramadhan, Arif Amrulloh, and Arief Rais Bahtiar,

We have reached a decision regarding your submission to CommIT (Communication and Information Technology) Journal, "Comparison of Supervised Learning Methods for COVID-19 classification on X-Ray Lung Images".

Our decision is to: accept the article with revision.

-

Please inform us first whether you want to do the revision or not.

If you agree, please send the revision (marked with different color for the revision) and fill the Reply to Reviewer's Form (attached) in **one month** so it can be proceeded to the next publication process. Please inform us if you cannot see the comments in the review form.

You can also add the acknowledgment regarding your funding for the research (if any). We may have deleted the acknowledgment from your initial submission to conceal the authors' identity. The example can be seen in the acknowledgment template (attached). You can inform us if you do not receive fund for this research.

Then, please also inform us regarding the corresponding author for this article.

We will inform you regarding the Article Processing Charge (APC), after the editing process.

Thank you. Have a nice day.

Warmest Regards,

Eka Yanti Pangputri
