Faisal Dharma Adhinata:

We have decided on your submission to Jurnal Teknologi dan Sistem Komputer, "Real-Time Currency Recognition on Video using AKAZE Algorithm". We are pleased to inform you that Jurnal Teknologi dan Sistem Komputer accepted to publish your manuscript in the next issue. However, revisions to your manuscript are needed during the process. We attach our notes below.

Also, to proceed publication of your submission, we will need you to submit the following:

- Your manuscript revision (copy-edited version) in an editable format file (DOCX/DOC/ODT) and portable format (PDF). We attached a file containing our notes as your revision guidance.
- The supplementary files (if any), including research instrument/materials, data analysis, data sets, and source text.

At this time, we also want to remind you of our copyright and open access policies from

<https://jtsiskom.undip.ac.id/index.php/jtsiskom/about/submissions#copyrightNotice>.

Once your manuscript is moved to publishing, our production editor will keep you informed of your article's progress in the production process. You may also receive proof of your manuscript for final review.

Editor notes:

- Review the indexing information by clicking on METADATA for completeness and accuracy. Complete the metadata, including all authors' names, affiliations, ORCID URLs, Google scholar URLs, and countries, article title, abstract, keywords, and references.

We're excited to move forward with your submission. Please feel free to email me with any questions.
