Kepada: 8101098 <8101098@ittelkom-pwt.ac.id>

Cc: alfin <alfin@ittelkom-pwt.ac.id>, irun <irun@ittelkom-pwt.ac.id>

Dear Puspa Rahmawati, Alfin Hikmaturokhman, Khoirun Ni'amah,

This is to inform you that we have received your paper entitled "**LoRaWAN Network Planning At Frequency 920-923 MHz for Electric Smart Meter : Study Case in Indonesia Industrial Estate**". Thanks for your submission.

As you know, we have three options for publication of your paper, so please kindly let us know your choice.

Option 1: Publication in Conference Proceedings. Submissions will be peer reviewed by conference committees, and accepted papers will be published in conference proceedings, which will be indexed by EI Compendex, Scopus, and other major databases.

Option 2: Publication in JACN. Submissions will be reviewed by the conference committees and journal editorial board, and accepted papers will be published in *Journal of Advances in Computer Networks*, which will be indexed by EI (INSPEC, IET), ProQuest, Google Scholar, etc.

Option 3: Publication in JCM. Submissions will be reviewed by the conference committees and journal editorial board, and accepted papers will be published in *Journal of Communications*, which will be indexed by SCOPUS; EBSCO; etc.

Your paper is given the paper ID: **CN003**, which will be sent to the technical committee for further peer review, and you'll be informed of the review result by Notification Date **Sep. 5, 2021**.

Should you have any query, please don't hesitate to contact me.

Best Regards,

Ms. Nina Lee

Comments (At least 50 words):

The paper matches to the topic quite well and presented in a well-balanced manner.

Check the quality of any photographs, especially those with multiple curves in shaded illustrations.

Content is satisfactory and somewhat novel. Although more experiments and data results would have made the paper complete.
