. Baznas Banyumas is a website from KOMINFO Banyumas which functions to help banyumas residents carry out alms, infaq and even pay zakat. Since the Banyumas baznas website has a simple home page, therefore the appearance of the website is upgraded to be fresher so that it makes the people of Banyumas more interested in doing activities on the website and also makes it easier for the people of Banyumas to find out what kind of information is on the website because of its attractive and user-friendly appearance. On the Banyumas baznas website, a place for login and register is also added which functions if website visitors enter the home page, website visitors can only view information or log in to carry out activities such as infaq, alms or pay zakat.
