

Welcome Message from General Chair

The 11th Comnetsat 2022

(Thursday – Saturday), 03th – 05th November 2022

On behalf of the Organizing Committee, I am very delighted to welcome you all keynote speakers, presenters, and participants to the 11th 2022 IEEE International Conference on Communications, Network, and Satellite (IEEE Comnetsat 2022). IEEE Comnetsat is an annual conference of the IEEE Communications Society (ComSoc) Indonesia Chapter, the IEEE Indonesia Section, and the IEEE AESS/GRSS Indonesia Joint Chapter. This year, IEEE Comnetsat 2022 is organized by Institut Teknologi Telkom Purwokerto (ITTP) and Universitas Semarang (USM).

IEEE Indonesia Section has conducted many activities over 30 years in Indonesia. Regarding collaboration, the IEEE Indonesia section has a good and mutual relationship with ICT organizations, Industries, Governments, Universities, and the Community in Indonesia. We hope other high-quality conferences will be continued and strengthened so that the result will benefit and positively impact human beings, especially Indonesian people.

The core purpose of IEEE is to foster technological innovation and excellence for the benefit of humanity. Here, researchers, scientists, students, and practitioners come together to participate and present their latest research findings, developments, and applications related to the various aspects of the current state of technology and the outcome of ongoing research in the area of Communications, Networks, and Satellite Systems.

Despite the challenges, the IEEE Comnetsat 2022 Organizing Committee and volunteers worked very hard to complete the conference program, uphold the quality of conferences, and meet authors' expectations. IEEE Comnetsat 2022 aims to address the current state of technology and the outcome of ongoing research in the application of computer and communication, networks, satellite systems, broadband photonic systems, data science, and artificial intelligence.

Last but not least, I would also like to express sincere and special thanks to the IEEE Communications Society (ComSoc) Indonesia Chapter, the IEEE Indonesia Section, and the IEEE AESS/GRSS Indonesia Joint Chapter, which have shown great support to this event.

I hope you will benefit from this conference and enjoy networking with colleagues from across the globe for future collaboration globally. Your support will also make this a memorable and successful event.

Wishing you all to join us to make IEEE Comnetsat 2022 a successful and safe event. Thank you.

Sincerely,

Dr. Arfianto Fahmi, S.T., M.T.

General Chair
